MODIFICATION No. 439

TO FLORIDA STATE SOCIAL SECURITY AGREEMENT

The Commissioner of Social Security and the State of Florida, acting through its representative designated to administer its responsibilities under the agreement of October 23, 1951, hereby agree that the exclusion of services performed in positions of election officials and election workers with respect to all coverage groups under the State's agreement shall apply for each calendar year prior to the year 2000 in which the remuneration paid for such services is less than $1000, and for years after 1999 in which the remuneration paid is less than the adjusted amount, as described below, beginning with services performed on and after January 1, 1995.

The purpose of this modification is to amend the original agreement to exclude services performed by election officials and election workers on a statewide basis for all coverage groups in which the remuneration paid for such services is less than $1000 per calendar year.

Part B of said agreement (Services Covered) is amended by adding the following: The $1000 limit on the excludable amount of remuneration paid in a calendar year for services specified in this modification will be subject to adjustment for calendar years after 1999 to reflect changes in wages in the economy without any further modification of the agreement, with respect to such services performed during such calendar years, in accordance with section 218(c)(8)(B) of the Social Security Act.

Approved for the State of Florida this 25th day of May 1995.
